

Who Is “Dr. Intimacy”?

Prophetess Laneen Haniah is a prolific author and lecturer better known as “Dr. Intimacy”. Using her extensive personal experiences, the insights gained from her encounters with thousands of clients and followers, along with 15 years of research – Prophetess Haniah gives an enlightening look into the naked truth about sex, intimacy and relationships from a holistic perspective - *spirit, soul and body*. She often refers to her teachings as “Christian Sexology”.

Prophetess Haniah is a native of Queens, New York, born in July of 1975. She has a special heart for today’s youth due to the struggles she faced as a teen. Peer pressure, trouble at home and a past of childhood molestation, led to a very tumultuous teen and young adult life for Laneen. She shares these experiences in a powerful book named, **“STDs: Sexually Transmitted Demons”**. She is also the author of the world renowned book **“The Spirits of Sexual Perversion Reference Book”**. Her books have over 10,000 copies in print, each recognized by Writer’s Digest for writing excellence in 2006 and 2008.

Prophetess Haniah has been a sought after conference speaker throughout the U.S. for the past seven years, a popular talk radio show guest, and has been featured in a number of magazines and anthologies. She is also the creator of the *“Insights from Dr. Intimacy”* wordpress blog and the *“Ask Dr. Intimacy”* YouTube channel; where she regularly shares new insights and revelations, and communicates with her followers. Through the different platforms available to her, Dr. Intimacy teaches a diverse audience the true purpose of sexuality according to God’s design for it: a symbolic picture of our intimate worship with Him.

People sometimes misunderstand Prophetess Laneen’s assignment when they hear her introduced as “Dr. Intimacy”. Alarms of judgment, fear, sexual lust and much more tend to ring in their minds. Dr. Intimacy does indeed discuss sex quite often in her teachings; however, the foundational revelation that illuminates the assignment is an understanding of what produces true passion in the human soul. This is why Dr. Intimacy equips her disciples with a proper respect and understanding of the power of sex, thus enabling them to experience the Authentic-Intimate-Love-Nature-of-God, as it irradiates their beings. This will then result in the ultimate FREEDOM of spiritual intimacy: intimacy with God; themselves; their spouses; their families; their friends; and the world that they live in.

Intimacy is not something that you do – it is rather something that you are: intimacy is not an activity – it is a nature. Understanding this is the beginning to understanding who “Dr. Intimacy” really is. Her ministry assignment is not about teaching people the mechanics of physical sex; but is instead about the inner workings of the spirit of mankind, and how it connects to God and all that He has created.

Prophetess Laneen Haniah currently resides in Dallas, Texas with her seven beautiful children. Along with her ministry pursuits, she is also a Sapphire Consultant with OrGano Gold; a model and aspiring actress; a recording artist; and the owner of Creative Solutions Reliable Business Enhancement Services.
